While on Duty On Thursday, the 20th uit., as we For several weeks past a colored man, people have had the pleasure of enjoy- have already announced in these col- named Thos. L. Ivey, has been dischargritz will recover, but will lose an arm, was anxious to be relieved. He had which was shattered by one of the bul- written several letters to Mr. French ex-

friend. She confessed her sins to her possession, placing the conductor and point at her the finger of scorn, and about three miles, when the maskers speak of her as a lost and wicked we- halted it, took Ivey off, and shot him man. The following tribute to the dead. They then informed the train memory of the dead was written by the officers that they could proceed. The unfortunate journalist in the presence murderers took to the woods and disap-

Ivey was formerly a member of the Alabama Legislature, and is said to have been a quiet and inoffensive man,-

The Commercial says of the outrage : Ivey has been about one year in the service, and made an efficient officer. So far as we know he has always attended strictly to his own business, and the probabilities are that he lost his life simply and solely because of his color.

### ----The Third District.

From the Nashville Union and American, The Third Congressional District is the largest in the State in point of territory, embracing seventeen counties on frame dwelling house erected on her In the name of Yardly, the Chronicle, less circumstances. Her womanhood either side of the mountains. In point farm. John Easley, the bee man, is pre- and President Bartlett we ask, why is it is blasted in the bud. Despite unfortu- of population it ranks fourth, outnumbening five others. Yet the representaous stable, and fixing up his lots the bet-ter to accommodate stock drivers. Dr. lege, and we will train them up in the was 'noble, generous, unselfish, self-a full one, every one of the seventeen Wilkinson is building a very large sta- way they should go. It is true we will sacrificing, with an honest pride which counties being represented. This is a good omen, as showing that the people same roof, which, when completed, will same privilege we will the colored peobe the largest and most convenient one ple-for we compel the whites to go to with an ineffaceable tinge of melan- interests. Without good government in the neighborhood. We are to have a college with the colored people, while choly. She was desponpent always, we cannot prosper as we should. The new store house this fall, and a new store. Several others speak of building in the vicinity.

the colored people can go to their own store. Several others speak of building in the vicinity.

the colored people can go to their own to me once, when a cherished desire was nominee, Gen. Dibbrell, is a gentleman to me once, when a cherished desire was nominee, Gen. Dibbrell, is a gentleman to me once, when a cherished desire was now that the colored people can go to their own to me once, when a cherished desire was now that the colored people can go to their own to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once, when a cherished desire was now to me once the cherished desire was now to me is well known to all. The resolution just as it should be. Loyalty and Civil me. My entire life has been a disap- denouncing recent horrors were no less re tints in her nature, she was at times than we have the right to expect from dmost unnaturally vivacious. But even every body of representative white men in her most cheery moments an apparent who may assemble under present circumstances. It may never occur to the negroes to denounce the outrages and rapes committed by their race, or the love for her unhappy father. This love had taken root in her infantile mind at expect more of white men, because we
